

**Member – Laica Gerwien-Moreta****Indian River County**

Laica Gerwien-Moreta is a dynamic contracting professional who has previously held leadership roles within various defense contractors supporting domestic and international operations as well as medical management solutions and humanitarian programs. Laica is a seasoned compliance professional who works with senior functional leaders to ensure business-critical trade compliance infrastructure and resources are prioritized as part of the broader program requirements. Laica has served as an Empowered Official overseeing International Traffic in Arms Regulations (ITAR) exports as well as the Bureau of Industry and Security (BIS) related activities and been responsible for the strategic alignment of contractor resources and staffing in support of global supply chain. Laica holds a bachelor's degree in technical management from Embry-Riddle Aeronautical University and professional certification in government contracting from The George Washington University, School of Business. As Board Chair for the Education Foundation of Indian River County Board of Directors, member of the National Contract Management Association Space Coast Chapter she regularly participates in professional development training. Laica and her husband are passionate about helping disadvantaged youth in our community and promoting the health, welfare and education of children through their philanthropy.
