

Laica Gerwien-Moreta is a federal government contracting professional with proven experience in Information Technology, Aviation, Aerospace, and Health Industries. Laica previously held leadership roles within various defense contractors supporting domestic and international operations as well as Middle East medical management solutions and humanitarian programs. Laica has also served as an Empowered Official overseeing International Traffic in Arms Regulations (ITAR) exports as well as the Bureau of Industry and Security (BIS) related activities and been responsible for the strategic alignment of federal contractor resources and staffing in support of global supply chain. Laica holds a bachelor's degree from Embry-Riddle Aeronautical University and professional certification in government contracting from The George Washington University, School of Business.

She is a certified contract manager (GWCCM) and member of the National Contract Management Association Space Coast Chapter. Laica is passionate about helping disadvantaged youth in our community and promoting the health, welfare and education of children through her philanthropy.
